The Roving

April, 2017

President's Letter

April hath put a spirit of youth in everything.
-Shakespeare

April greetings, HWOTV,

Spring has arrived, and this year things are GREEN!
Some days are picture postcard perfect – Clear blue skies,
the budding of colorful plants and flowers, and valley
orchards with the backdrop of snow capped Sierras.
We are so fortunate to have had the rains!

HWOTV has enjoyed several stellar programs this year.
We have been able to expand our horizons and receive
inspiration in a variety of artistic forms:
Knotless netting, Novelty Yarn Spinning, and Quilting.
Lindsay's passion for her art was evident, and all admired
the intricate, artistic quilts presented by Carmen Friesen.

Each one of us is dependent upon the "tools of our trade,"
and that will be the topic of the April program with Dee Dee
King's "Gadgets and Gizmos." The many little tools that
help in her fiber work will be presented and discussed:
steam press, mini washer and spinner, etc. Sources and costs
will also be given.

It is often amazing how a new tool can simplify a project
and make us wonder "How did I manage without it?"

Looking forward to seeing all of you in April.

Leonora and Toni
