## President's Letter

*"Opportunities – Fleece, Handspun, Yarn , Equipment"*

Mini Quote

Welcome to HWOTV Mini Month!

We revel in the opportunity to show, sell, and purchase! Fleece, handspun, yarn, books, and fiber equipment will be available when our first Mini Weavers' Attic is combined with the annual Wool Day for HWOTV.

This will be a marvelous event in many areas – members can replenish weaving and spinning inventory while allowing HWOTV to sort through their current stash for sales items. It should prove an interesting, rewarding day for all.

#### Mini Weaver's Attic/Wool Day Sale

June 10th meeting

The June meeting for the Guild is guaranteed to be a fun one that should not be missed! Along with our annual wool day sale, the guild is inviting members to bring fiber-related items to sell in the Mini Weaver's attic.

Used weaving and spinning equipment, yarn, and books will be available for purchase from other members; sort of a classy "yard sale" extravaganza.

Start a box of things you would love to get rid of now so that you are ready for the fun in June.

The details: You MUST reserve a table if you plan to sell items.

Call Dee Dee King at 559-338-0322, or text at 559-259-4321, email is [dking@unwiredbb.com](mailto:dking@unwiredbb.com).

You may share a table with a friend. Each vendor is responsible for their own sales; the guild is not taking any commission on these sales. Sale will start at 10:45 (after a brief business meeting).

Get there early to set up; doors will open at 9:00. I heard a rumor that some small looms may be available for purchase. If you have any questions or aren't sure of what this is all about, contact me.

Thanks,

Dee Dee King
