The Roving

October, 2018

October Greetings, HWOTV!

My, how time flies!

Show and Sale posters are going up, postcards are being mailed, and members are actively planning for the 27th. This is a time for all to participate whether as a seller or a contributor of time and Show presence. Everyone in the Guild benefits from the success of the Show, and we encourage each member to "give it your all!"

If you are new to the Guild or have not sold previously, let this be an opportunity to add to the Show's inventory – even if it is only one item. Those visiting on Saturday enjoy viewing the colorful variety! Each year the display seems to surpass the previous year's. If as a "new" seller anyone has questions, do not hesitate to call another member who might provide answers. It is so rewarding to have one's efforts appreciated by the visiting public!

Thanks to all the participants of Marilyn Robert's Indigo class. She is a very talented and enthusiastic instructor. *WOW!* Participants, please bring your samples from the class (and anything else you have dyed) to the November meeting for Show and Tell!

At the November meeting, we will begin a year-long Magazine Madness Move or Magazine Miracle Move, depending on your perspective.

Rules for those who are interested:

- Pick one magazine from the pile. It is yours... no trading!
- Find one project or idea inside that will challenge your skills and your brain.
- Execute the project.
- Finish the project and write a personal reflection on your project.

We will have an official Magazine Madness Move or Magazine Miracle Move check-in at the May of 2019 meeting.

Project and reflection are due November 2019.

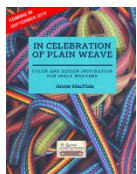

At the last meeting, we talked about Brechia Kralovic- Logan and her mission of Women's Woven Voices. We will have straw looms to weave your story. Since this is personal, bring yarn or fiber that is unique to you, something that tells your story. I am hoping to collect the finished pieces at the end of the meeting and send them to her before Thanksgiving.

November will be the Free Form weaving -in the Saori way. Thread a loom, any loom (potholder, zoom, inkle, Cricket, cardboard, frame, backstrap) and just weave! WEAVE!

WEAVE! Don't forget to bring about $\frac{1}{2}$ pound of fiber/yarn. Consider bringing a variety of colors and textures to share with the other weavers in the guild. Not a weaver? Not a worry. There are many simple looms to explore!

You might visit a blog by Debbie Held called, [Freeform, SAORI-Inspired Weaving on the Cricket Loom \(February 2017\) on the Schacht Spindle Company website for a little background information as you prepare your loom. This program is meant to challenge your brain, tweak your creativity, and inspire your guild friends.](#)

Don't forget to work on your December Gift for those who are less fortunate.

I have contacted Annie McHale for an Inkle Loom workshop in May. If you think you would like to participate in this workshop, please e-mail rooksworld@sbcglobal.net to express your interest ASAP. Since we do not have a meeting in October, I need your response soon! This is NOT a commitment, just an interest survey.

Class size maximum is 12.

If we grab Annie she plans to start with color and design instruction to give students an idea of what they can create on the inkle loom. We will set up our looms on Saturday; then on Sunday we will weave and look at some more advanced techniques or just become more skillful with the plain weave technique.

Registration for Deborah Jarchow's Rigid Heddle class opened at the September meeting. If you would like to take the 2 day February (9-10th) class it is \$125 (non-refundable) plus a small materials fee to the instructor. If you would like to claim a spot in the class, please email rooksworld@sbcglobal.net

News from DeeDee King:

Plans for the 2018 Show and Sale are in full swing. We need everyone to participate in prepping for our annual party! Putting on a show of this magnitude takes a lot of time and effort, but with many hands helping, the work is light. Please see where you can help out. Some jobs do not require standing up all day, and there is a job for you. If there seems like a task has enough volunteers, more could be used so that people would not have to work that area the entire day.

Show and Sale Jobs

Thank you to all who already volunteered to help with the tasks needed to make the 2018 Guild Show and Sale fun and easy. If you have yet to commit to a job, please think what you would like to do to help out. We have a good response to our initial call for helpers, but need more people. Following is the list of jobs and where help is needed. There will be a sign-up sheet at the August meeting, you can contact me, Dee Dee King at dking@unwiredbb.com or (559) 338-0322, or you can contact the chairman of the area you wish to work and let them know you are available..

Kaweah Konnection: Kaweah Konnection have resumed its monthly meetings. The next meeting will be held October 10th at Harrison Hall located on the grounds of the Three Rivers Community Presbyterian Church. Meetings are from 10-12; this month's meeting will feature part 2 of turning weaving fabric into sewn garments. It is an interesting DVD from which we can all learn. Look for Sharon Warren's announcement in your e-mail later this month.

Squeekie Wheels: Squeekies meet the third Friday of every month, and the hours are from 9am until 1pm. The only thing we have to remember to bring is our "inside the library quiet voices". That might be the hardest thing for me to remember, because spinning with such nice people is so much fun.

While you are thinking about it right now, why don't you go jot down the date of our next spin-in on your calendar so you can come join us? Hope to see you there.

October 19th
