The Roving

January, 2019

Encouragement to others is something everyone can give.

Joel Osteen

Happy 2019, HWOTV!

As we begin the new year, may we continue the momentum of a successful 2018 Fiber Year!

We can look forward to a variety of activities:

January hosts Guild Play Day.

Deborah Jarchow returns for a workshop.

Judy Askins presents Eco Dyeing.

Workshops on Inkle Loom Weaving and Woven Shibori are planned.

2019 brings the 40th Anniversary of Show and Sale. Be on the look out for developing plans to mark the event!

There has been discussion about gathering recipes for a HWOTV cook book. While there is interest, one or more people are needed to spearhead the project.

January Greetings!

Annual Play Day!

When: January 12, 2019

Time: 10:00 AM-1PM

Where: Exeter Memorial Building

Board Meeting (short): 9:30

Members: Those with last names E-N please bring snacks or goodies.

A Membership Directory with mini bios and photos has also been brought up. Be thinking about how you could help!

2019 marks the last year Leonora and Toni can serve as Presidents. A Nominating Committee will be selected in March. The position of President has been shared for the past three years, and that has worked quite well.

We are looking forward to an exciting year!

Leonora and Toni

Coming Attractions from Our Vice-President and Program Chairman, Monica!

Do you remember walking down to the local playground as a child? You may have walked with your mom but once there, you played with friends, met new kids, and

made friends. Sometimes you climbed to the top of a very tall and scary slide... looked down, let go, and experienced a novel thrill!

January is the time to visit the Handweavers of the Valley's Play Day. Come and visit with old friends, interact with new friends, and enjoy the activity of the Guild. Please feel free to bring a fiber arts friend.

We will enjoy pot lunch "Soup yer Bowl" with stews and soups. If you would like to bring a soup or stew or another delight, please email Toni, Leonora, or Monica (rooksworld@sbcglobal.net) for planning purposes.

In February, we will have Deborah Jarchow visit. She will provide the guild program and the Rigid Heddle Workshop February 9-10. If you have signed up, please pay your fees.

As spring arrives in March, our own Judy Askins will give a program on Eco Dyeing. With Judy's inspiration, we may leave the meeting in search of the plants needed to complete our own experiments!

Don't forget our other workshops in May and June. The Inkle Loom workshop with Annie McHale is full. If you would think you would like to take the class but have not signed up, email Monica (rooksworld@sbcglobal.net) If you would like to take the Woven Shibori workshop with Linda Hartshorn in June, please email Monica (rooksworld@sbcglobal.net) or see Monica at January's meeting.

Guild Member Chris Davis sent us the recipe for that delicious Coconut Pie we all enjoyed at the Christmas Party:

Blender Impossible Pie:

4 eggs

2 cups cold milk

¾ cup sugar

½ cup flour

¼ cup butter

1 tsp. vanilla

1 cup coconut

Dash of salt

Combine all ingredients in a blender; turn to high speed and count to 10 slowly. Turn off blender; pour into well-greased 10" pie pan. Bake at 350 degrees for 40 minutes.

Thanks, Chris!

Kaweah Konnection: Kaweah Konnection has resumed its monthly meetings. The next meeting will be held **January 9th** at Harrison Hall located on the grounds of the Three Rivers Community Presbyterian Church. Meetings are from 10-12. Guild members bring their show & tell items and all of us learn valuable tips and hints from each other. Look for Sharon Warren's announcement in your e-mail later this month or contact her for any information.

Squeekie Wheels: Squeekies meet the third Friday of every month, and the hours are from 9am until 1pm. The only thing we have to remember to bring is our "inside the library quiet voices". That might be the hardest thing for me to remember, because spinning with such nice people is so much fun.

While you are thinking about it right now, why don't you go jot down the date of our next spin-in on your calendar so you can come join us? Hope to see you there.
