## The Roving October, 2019

Greetings, HWOTV.

October is a FIBER MONTH! Rejoice in all of the opportunities afforded HWOTV. Our Guild is the "Featured Artist" at Arts Visalia for the month of October. If you have never visited the gallery, it is a lovely space across from the Depot restaurant on Oak.

The end of the month is the 40<sup>th</sup> anniversary of Handweavers of the Valley Show and Sale! How exciting if each member could have at least one item for Show and Sale!

Happy Fiberling!

Leonora and Toni

## **October 2019**

### **October**

Show and Sale! Be there to support your guild (and have fun).

### **November**

Dust off your magazine and get on with the madness! November is just around the corner and your project is coming due. If you chose a magazine, please bring your project and your reflection to November's meeting. The reflection should include your name, the project and maybe why you chose that particular one, and what you have learned (about fiber arts and yourself). It may be on a poster board, index card, typed, or handwritten. Remember, you will have a very interested audience.

In November, HWOTV will open the registration for Annie MacHale's Inkle class part 2, March 14th and 15th. Cost of the workshop will be \$140 and a small materials fee.

Also in November, HWOTV will begin to take registration for Robin Lynde's workshop on preparing and spinning a spotted fleece from her Jacob sheep in

Dixon, California. This workshop is scheduled for May 9-10<sup>th</sup>. The cost will be about \$140.

### **December**

Phew- 2019 flew by! As 2019 ends, we will gather for our Christmas/Holiday Party. Don't forget to make your gift for those in need. It can be a hat, mittens, scarf, wrap, or blanket. Identify your cause and get busy.

### **January**

Looking into 2020 with bright eyes, we will begin our year with a fun program, Spinning Round Robin. During this program you will begin your spinning journey or improve your technique. There will be several spinning programs throughout 2020 and this is just the beginning!

### **February**

Toni Best will be presenting a program on Gourd Basketry. This program comes in time for those who might be interested in attending Baskets and Gourds Containers of Our Culture conference that will come to Visalia April 24-26, 2020.

### **From Our Treasurer, Donna Smith:**

#### **To all members who have items for the 40 Years of Memories display in the foyer at Show and Sale:**

We need to know what items you have (woven pieces, Conference display pieces, etc). The display is for memories so anything goes. Items need not be from just those who have passed. Email me [springvilledonna@gmail.com](mailto:springvilledonna@gmail.com) with your ideas. I will accept display items on the Friday of the Sale and Show set up. Thanks!

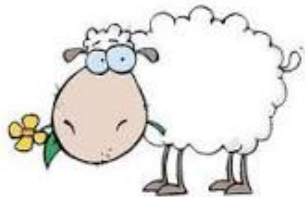

**Kaweah Konnection:** Kaweah Konnection will have the next meeting in October. Remember – that’s October 9th at 10 AM at the Three Rivers Community Church conference room. Bring your Show and Tell.

**Squeekie Wheels:** Squeekies meet the third Friday of every month, and the hours are from 9am until 11 or later. The only thing we have to remember to bring is our "inside the library quiet voices". That might be the hardest thing for me to remember, because spinning with such nice people is so much fun.

While you are thinking about it right now, why don't you go jot down the date of our next spin-in on your calendar so you can come join us? Hope to see you there.

**October 18th**

Exeter Public Library,  
230 E. Chestnut Street,  
Exeter; 9am ~ 11 or later.

*So long till next month*
