The Roving

April, 2020

April Greetings, HWOTV!

Aren't we weavers just the luckiest people in the world right now? We are so fortunate to have a hobby which gives us so much pleasure and satisfaction. If you are like me you wish you had more time to stay at home and weave. Well, here's our excuse. Even if we are not feeling so hot, we can sit down at the loom and weave a couple inches and feel better. My weaving was a godsend during the last couple weeks when I was sick and self-quarantined.

Maybe this will be like the great blizzard of ..., when 9 months later a bunch of babies were born, only our babies will be dish towels in time for sale and show. lol

**APRIL MEETING
CANCELED**

And now.....

**News from
Our Vice-President and Program Chairman, Monica!**

APRIL 2020

April -Meeting is cancelled.

May

STOP THE PRESS!

I just received a request from Robin Lynde to re-schedule the May 9-10 workshop for Fall or next Spring. Would you please add this if it is not too late.

Due to the Corona Virus Pandemic, Robin Lynde would like to re-schedule the **What to Do With a Jacob Fleece Workshop**. She is well, but notes that everything in her neck of the woods is cancelled through May. I will contact those who have signed up and keep guild members in the loop. Thank you so much for supporting the workshops! You may contact Monica at: rooksworld@sbcglobal.net if you have questions.

June

Use this Shelter-in-Place time as an opportunity to find the perfect recipe for a delicious Fiber Arts Experience, whether it is your favorite weaving, spinning, knitting, or felting project. If, when you look through your files, you smile, you will know it is the one-the delicious recipe to share!

December

Again, using this Shelter-in-Place time, knit, crochet, and/or weave for the Christmas Giving party. After this Covid 19 event, many people will need a little more TLC and warm gifts next December. Let's help those who need it!

~~~~~

Here is a great opportunity for us while we are cooling our heels during this "shelter-in-place" situation! Our Librarian, Chris Davis, told me about a web site run by Deborah Jarchow that is giving weavers free on-line classes until April 9<sup>th</sup>! Deborah was the instructor that gave us that great rigid heddle class several years ago. So.....go to <https://shop.mybluprint.com/weaving/classes/simply-stunning-scarves/35177>. On the top of that page you will see a place to sign up. Break out those rigid heddles and some of your stash and learn something new - and all for free! Yippee!!

Kaweah Konnection: Kaweah Konnection meetings are cancelled for the next few months. Stay tuned for any future news.

Squeekie Wheels: Squeekies will be cancelled at least for April; future spin-ins will depend on the China Virus situation as well as the Exeter Library decision. Please use part of your time at home to spin up some fabulous yarns to bring to our next meeting. Stay well and WASH YOUR HANDS!
