The Roving

June, 2020

June Greetings, HWOTV!

Well it looks like Covid-19 is going to drag us into the 21st century whether we like it or not. Sounds like the June meeting is going to be a Zoom meeting. I had my first and only Zoom a couple weeks ago when my grandson in Texas turned 11. What was most interesting is that the people that zoomed in would never have been in the same room together in real life. Members from all sides of the family and from all over the country. it was a unique opportunity to get to know people that I may never meet in person.

I guess it's time to learn something new. Hope to see you all there.

Lindsay Dion, Co-President

June, 2020

JUNE MEETING
HELD VIA
"ZOOM"

And now.....

**News from
Our Vice-President and Program Chairman, Monica!**

June, 2020

June Meeting Will Be Live via Zoom

June

Zoom into June! There are two tasks related to the June Meeting. Bring your April Flowers Bring May/June Flowers Challenge or Pandemic Floral Challenge (from Dee Dee King). There is still time to find that inspiration! Go!

Some simple guidelines to help you plan your work:

1. Find a picture, or better yet, take a picture of some lovely flowers.
Use this for your inspiration on color.
2. Weave something inspired by your picture.
3. Use any technique, object, or pattern.
4. Be ready to share in June. If we can't meet, we'll figure out the logistics of getting a picture of your work out to everyone.

The second task for June was to find and share recipe for a Delicious Fiber Arts Experience.

So, what is a recipe?

Recipe:

- a set of instructions for making or preparing something, (especially a food dish)- Today, it's not food. It's fiber!
- a method to attain a desired end: a recipe for success.

Now that you know what a Fiber Arts Recipe is...

June's "recipe" can be a tip (ingredient), a method (skill), a resource (a store), a pattern (instructions), a project (meal), whatever. It can be weaving, felting, spinning, basket making, knitting, and so many more areas.

Please provide 2+ copies of the instructions... written, typed, card, or paper. You will use one of the copies to share with the group during the virtual meeting.

Please send the second copy to rooksworld@sbcglobal.net by the 13th of June. We will compile the "recipe book" for a delicious fiber arts day!

Bring a sample... nice, but not required.

If you are not able to ZOOM in June, please feel free to bring your Flower Challenge item and/or your recipe next time. Do send the recipe to Monica by the 13th of June.

July

Wool Day/ Dye Day

Last year, we had so much fun, that you asked for a repeat. Hopefully we will be able to meet in person. Remember, the wool producers have a variety of products for guild members. Following the Wool Day, we will begin our Dye event. More information will follow.

August

Come and listen to the Show and Sale 4-1-1 (Show and Sale Tips and Advice) provided by the Show and Sale Chairmen. This is a wonderful time to help with the preparation of Show and Sale (October 24, 2020).

September

Our own Judy Askins will offer a felting project following the September meeting. Judy has provided several felting opportunities for the Guild. Judy is recognized as a knowledgeable and patient teacher.

Looking Forward

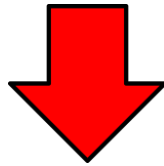

QUESTION: Are you still interested in the Ruby Leslie 3-D's of 3D Workshop in September?

I emailed Ruby Leslie recently. She would like your input before deciding whether to reschedule or meet in September (18, 19, 20).

November Yarn BLUF

December Christmas Giving Party...

While you are Sheltering in Place, don't forget to knit, crochet, weave, or even sew something for someone with a need. Knit hats for the homeless population in town or the preemies at Valley Children's Hospital. Weave a scarves for women who are looking for a job. Crochet fingerless gloves for dialysis patients.

DeeDee King is proposing something fun for us to do during our hiatus at home!
We could include her ideas with Monica's!

Here's her idea:

DeeDee's Weaving Challenge:

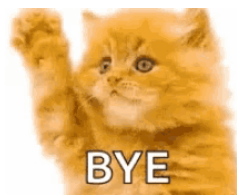

How are your flowers growing? Are you ready to share your spring inspired creations? I know one person who has some Lupine dishtowels woven. I hope you can keep your hands busy and your minds worry free.

Kaweah Konnection: Kaweah Konnection meetings are cancelled for the next few months. Stay tuned for any future news.

Squeekie Wheels: Squeekies will be cancelled at least for June; future spin-ins will depend on the Covid-19 situation as well as the Exeter Library decision. If the Library system opens up in time, we can still have our meeting on the 19th of June. However, don't plan on it until you hear from me.

Please use part of your time at home to spin up some fabulous yarns to bring to our next meeting. Stay well and WASH YOUR HANDS! You are missed!

See you next month!
